Target version:			

Description

Current used version: B.A.T.M.A.N.-III v0.1.1 beta (compability version 2)

I'd like to use batmand without obsolete ip-aliasing.

Example:

```
ip addr add 10.191.1.44/16 brd 10.191.255.255 dev tap0
```

Suggested Option:

```
batmand tap0 10.191.1.44
```

History
